**3/4" Universal Tool Holder - Square Tool Holder**

**3/4" (19.05mm)**

## BAILEIGH 3/4" Universal Tool Holder - Square Tool Holder PHD-UTHS-0750-SQ

### Description

Sometimes standard tooling just won't work and you have to design your own to get the job done. That's where the universal tooling holders for the power hammer comes in. These tool holders are designed to work with 3/4" (19.05mm) square bar stock. Set includes both top and bottom holders.

To be used on the PH-19, PH-19VS, MH-19 and PH-28HD only.

### Features

- 3/4" (19.05mm) Square tool holder set
- Machined from S7 Tool Steel - Hardened
- Fits Baileigh Power Hammers

### Includes

- 3/4" (19.05mm) Square tool holder set (Upper and Lower)
