

TOOLMASTER

Safety Lock Drill Chuck - Keyless Type

Ø1 - Ø13mm

TOOLMASTER Safety Lock Drill Chuck - Keyless Type

Description

Industrial heavy duty keyless drill chucks. Keyless drill chucks are a dependable and highly-affordable method for holding drills. Knurled grips make drill bit changes quick and secure. Fitted with a locking mechanism that ensures that the chuck will not open if the spindle suddenly stops

Features

- Superior gripping - Self tightening feature to increase gripping force
- Precision manufactured
- Positive locking prevents loosening when operating
