### Description

An iconic design that has been tried & tested in the Australian & New Zealand market for decades our Hafco bench grinder offers solid construction & performance that won't let you down. With a true 1hp (0.75kw) motor & fully sealed ball bearings our grinders will offer years of trouble-free performance.

### Features

- Powerful true 1hp motor for heavy duty applications
- Cast iron body & base for superior rigidity
- Sealed bearings for lifelong performance
- Anti-vibration pads on the base for smooth running
- Motor c/w capacitor start/stop for maximum performance
- 50mm wide wheel guards to allow for fitment of wire wheels
- Dustproof on/off switch
- Fully adjustable tool rests

## HAFCO-METALMASTER Industrial Bench Grinder HG-200

### Includes

- 25mm wide grinding wheels (1 x fine & 1 x coarse)
- Large rectangular safety eye shields
