

**LINISHALL BG8-915**

**Industrial Bench Grinder with Linisher**

**Ø200mm Medium Wheel & 50 x 915mm Linishing Attachment**

## LINISHALL Industrial Bench Grinder with Linisher BG8-915

### Description

Industrial Bench Grinder with Linisher

The Linishall Heavy-duty Industrial Bench Grinder with Linishing Attachment that can rotated 360 degrees is your perfect companion to get the job done! Adjustable eye-shields assists in safe, accurate finishing or roughing of all types of componentry, tooling, etc.

The Linishall BG8-915 Industrial Bench Grinder includes a secure mounting to ensure smooth linishing operation, top platen for flat surface grinding, Ø200mm Medium Wheel, Ø180mm sanding disc, sealed for life bearings, grooved contact wheel to avoid belt hop on lap joint belts and cooler operation, large handle for easy tracking adjustment, a tensioner locking lever designed for easy belt changing, pre-load bearings (no end play) and heavy sheet-metal wheel guards. Includes cast tool rest, diamond wheel dresser, water tray and LED work light. 50 x 915mm abrasive belts are available in a variety of grits and materials to suit grinding such as steel, stainless steel, ceramics, timber, plastics, carbide etc.
