VB-125 Shown Set Up on a Vice

Description

This 125mm universal vice is manufactured from cast iron. The MPV-12 features a rotating head and swivel base, each with its own lock. There's a graduated scale on the swivel head as well as vice opening.

Case-hardened jaws with grooves allow for better gripping. This vice from TM comes with a quick-action vice lock/release mechanism, anvil plus includes both V and pipe jaws.
