### Description

Our HAFCO METALMASTER bench grinder and linisher attachment combo is a well-established design that has proven its reliability in the Australian and New Zealand markets over the years. It boasts a sturdy construction and consistent performance that you can rely on. Equipped with a powerful 1hp (0.75kw) motor and sealed ball bearings, our grinders are built to last and provide trouble-free operation for many years to come. The linishing attachment is perfect for a variety of finishing tasks including tool sharpening, edge sanding, weld smoothing, and polishing on materials such as wood, plastics, metals, and ceramics.

### Features

- Powerful true 1hp motor for heavy duty applications
- Cast iron body & base for superior rigidity
- Sealed bearings for lifelong performance
- Anti-vibration pads on the base for smooth running
- Motor c/w capacitor start/stop for maximum performance
- 50mm wide wheel guards to allow for fitment of wire wheels
- Dustproof on/off switch
- Fully adjustable tool rests
- 50 x 915mm linishing attachment with Ø178mm sanding disc
- Quick & easy adjustable belt tracking system
- Toolless belt change system, change belts in a matter of seconds
- Grind, sand, shape, polish or refinish nearly any material
- Used on many materials such as wood, plastics, metals and ceramics
