### Description

The DG-200 Deluxe Linisher Kit combines a powerful industrial bench grinder with a high-performance linishing attachment, offering a complete grinding, sanding, polishing, and finishing solution. Designed for professional and home workshops, this kit is perfect for working with wood, plastics, metals, and ceramics. The robust cast iron construction and upgraded features ensure long-lasting performance, while the linishing attachment enhances precision and versatility with multiple adjustment options.

### Features

- DG-200 Industrial Bench Grinder:
  - Powerful true 1HP (0.75kW) motor for demanding applications
  - Internal cooling fan for extended heavy-duty operation
  - Cast iron body & base for superior rigidity and durability
  - Sealed bearings for long-lasting, smooth performance
  - Anti-vibration pads on the base for enhanced stability and reduced noise
  - Motor with capacitor start/stop for maximum efficiency
  - 50mm wide wheel guards allow fitment of wire wheels
  - NVR (No-Volt Release) dustproof on/off switch for safety and reliability
  - Deluxe adjustable tool rests for precise grinding control
  - Integrated flexible work light for improved visibility
  - Includes wheel dresser and water tray for extended wheel life and cooling
- Deluxe Linishing Attachment:
  - 50 x 915mm linishing belt for precision sanding and finishing
  - Ø178mm sanding disc with hook-and-loop for quick and easy replacement
  - Quick-release angle adjustment system for fast and precise setup

**HAFCO-METALMASTER Deluxe Industrial Bench Grinder with Deluxe Linisher Package Deal DG-200 DLA-915 KIT**

- Adjustable tool rest with three configurable positions for various grinding applications
- Fine belt tracking adjustment handle for accurate alignment
- Quick-release belt lever system for fast belt changes in seconds
- Additional secondary platen table for vertical finishing applications
