Parts

Description

Upgrade your bench grinder with this deluxe linishing attachment, designed for precision finishing tasks such as tool sharpening, edge sanding, weld smoothing, and polishing. Suitable for use on wood, plastics, metals, and ceramics, this attachment is compatible with most 200mm bench grinders featuring screw-mounted guards. Its versatile design and user-friendly adjustments make it a must-have for any workshop.

Features

- 50 x 915mm linishing attachment
- Tool-Less quick-release angle adjustment system for fast and precise setup
- Ø178mm sanding disc with hook-and-loop for easy sanding disc replacement
- Mitre table attachment for added versatility
- Adjustable tool rest with three configurable positions for various grinding applications
- Fine belt tracking adjustment handle for quick and accurate alignment
- Quick-release belt tensioner system allows for fast belt changes in seconds
- Additional secondary platen table for use when the linisher is in the vertical position
- Versatile design for grinding, sanding, shaping, polishing, and refinishing a range of materials
- Suitable for use on wood, plastics, metals, and ceramics
- Compatible with most 200mm bench grinders (minimum 3/4 HP)
