Drawer in Unlock Position

Key Lockable

**Features**

- Heavy duty tooling cabinets, ideal for industrial applications and serious workshops
- The sliding drawers are a welded strengthened single rail design coupled with high quality mechanical bearings for long lasting smooth operation
- Each drawer is rated at 100kg load capacity with 97% drawer access and a total of 600kg maximum load capacity
- Single Key lock design for safe storage. Each drawer has a mechanical safety lock which allows one drawer to be opened at a time, preventing the cabinet to tip over
- All drawers come with adjustable steel dividers.
