

**HAFCO WV-180**

**Wood Working Vice**

**178mm Jaw Width**

## HAFCO Wood Working Vice WV-180

### Description

Well built traditional carpenter's vices complete with automatic quick release and front dog that's well engineered and finished. Ideally the jaws should be lined with hard wood and fitted to the bench so that the rear jaw is in line with both the face and top of the bench.

### Features

- Cast iron construction
- 203mm maximum opening
- Quick action dog-release
- Polished guide rods
- Mounts under bench
