Dimensions

Description

The perfect addition to complement our METALMASTER M16 Pro Series welding table to use as a table riser, bridge or table extension. The modular design makes it easy to set-up and tear down for your job at hand whether it is big or small. Increase precision & consistency for all your welding tasks to save you time and money.

Features

- Heavy 12mm thick steel construction
- Plasma nitriding surface finish for increased hardness, rust & spatter resistance
- Ø16mm Precision bored fixing holes at 50mm centres to match our M16 Pro Series tables
- 5 sided CNC machined surfaces
- Precision CNC machined surfaces to ensure high tolerances
