Shown On Welding Table

Description

The perfect addition to complement our METALMASTER M28 Pro Series welding tables. The modular design makes it easy to set-up and tear down for your job at hand whether it is big or small. Increase precision & consistency for all your welding tasks to save you time and money.

Features

- Heavy steel construction
- Fast & easy way to securely attach fixture elements to a table or to other fixture elements
- Additional length to secure up to 3 x 25mm surfaces together (table + 2 fixture elements)
- CNC machined surfaces to ensure precision tolerances
- Burnished finish surface treatment to prevent rust
